GUIDELINES FOR CANDIDATE SELECTION

The following guidelines are currently being used by the Reformed Church in America secretariat and registrars for determining the selection of candidates and the order in which applications are accepted.

All applications which meet the following guidelines shall be accepted in the order in which they are received. Candidate applications from all denominations will be considered. Six candidates will be accepted from any one church for the weekend. If space is available, additional candidates from the same church will be considered.

We encourage you to apply as soon as possible as space is limited. Any additional applications will be placed on a waiting list if necessary and moved up as cancellations are received.

Only applications which are signed by a sponsor will be considered. If a sponsor is needed, contact your church representative _____

Or Al Vander Linden, 5775 Hwy F70, Monroe, IA 50170, alan.vanderlinden@gmail.com

Candidates must be at least 18 years of age and/or be a high school graduate, and believe Jesus Christ is their personal Savior.

For married couples, it is encouraged but not required that both the husband and wife attend Cursillo. If they both choose to attend, it is most beneficial if they can attend the same weekend, and each of them should submit a completed application. If one of the partners has attended at an earlier date, it is strongly suggested that he/she be present either as a repeat candidate, palanca worker or team member at the weekend for encouragement and support of their spouse.

It is suggested that persons who have recently experienced a significant loss, such as loss of a spouse through death or divorce, not consider going to Cursillo until one year from the date of the loss.

Any candidate with special diet or medication requirements can attach an additional copy of these requirements with their application.

Sponsors are asked to return this application to:
